

Form to Request Digital Photos of Old Blade Photos & Illustrations

The photos of the Blade available through the Dominy Memorial Library website are low resolution and often hard to read. Better quality images can usually be obtained when an authorized Museum Board member photographs an original Blade issue from the bound volumes in the Fairbury Echoes Museum archives.

Note: The bound paper-issue books are lost for the years 1880, 1882, 1886, 1888, 1896, 1904, 1908, 1913–1915, 1918, and 1955. Since they are missing, we cannot take digital photos of anything from these years.

If you want a copy of an old Blade article (text only, not a photo or illustration), please obtain it yourself from the Dominy Memorial Library website. If you do not know how to do this, please see the Work Instruction that explains the process.

These digital photos are taken by authorized volunteers, and we will try to respond to your request in a timely manner, but please understand this work is done by volunteers. We do not charge for this service, but donations are welcome and can be U.S. mailed to: Fairbury Echoes Museum, 126 W. Locust, Fairbury, IL 61739.

If you need more space to list images, please use additional copies of this form.
